**THE STOCKMAN’S HANDBOOK**

By Dr. M. E. Ensminger

This new livestock handbook should be a “must” on everyone’s bookshelf interested in the business. Its 585 large, easy-to-read pages also contain hundreds of drawings and charts to make it the most complete volume of its kind that we have found.

It has complete coverage of breeds and breeding, feeding and diseases (both prevention and treatment), for any type of livestock, marketing, fitting and showing, and many other timely and valuable subjects. We rate it “tops”!

In order for you to be convinced of its value order a copy today! Look it over for 10 days and if not completely satisfied, return it and we will refund the purchase price. To be a successful stockman, we must be well informed. This book will supply the needed information to help get the job done. Send for your copy today.
